

## *HYGEIA HOSPITAL TIRANA Re-Certified by TEMOS*

September 2015

HYGEIA HOSPITAL TIRANA has been re-certified with TEMOS “Quality in International Patient Care” quality program, valid for the period of 2015 -2018. The three assessors found good units, a well-managed hospital with a team of kind and experienced staff, a kind hospitality, good facilities, and a reassuring level of quality in medical treatment, technical equipment and nursing care.

We are very proud to also announce that the **Fertility Clinic of HYGEIA HOSPITAL TIRANA** is the first worldwide for successfully passing of the **TEMOS** quality program “Quality in International Reproductive Care”, and being awarded with **TEMOS certificate** valid for the period of 2015-2018. Fertility Clinic received the highest grade “A” from the assessors for its medical, non-clinical services, but also for the individual and ethical treatment approaches offered.
