Emergency Department

The Emergency Department of Hygeia Hospital Tirana is designed to provide medical services for emergencies with high standards every 24 hours, 365 days of the year.

The Emergency Department is located on the ground floor of the building of Hygeia Hospital, with special entrance for the vehicles, which allows immediate access to the Department.

This Department owns 3 well-equipped ambulances with all modern medical equipments for a better medical welfare of the patient. The ambulance service is available for the patient every 24 hours / 365 days a year and the service covers the whole Albanian territory.

For a better medical expertise, the Emergency Department has at its disposal a medical laboratory for conducting various tests and services such as in Imagery (Ultrasound, CT Scanner, Magnetic Resonance)

In this department you will find a staff of qualified and dedicated doctors and nurses that will be next to you with only one call.
